COPYRIGHT TRANSFER/HUMANS OR ANIMALS USED IN RESEARCH CERTIFICATION

The signature of the First (Presenting) author, acting as the authorized agent for all authors, hereby certifies that each contributing author has provided to the First author a written transfer of copyright for the contributions he or she has made. Such copyright Transfer assigns all copyright ownership for all contributions to this Abstract to the Ocular Microbiology and Immunology Group. This signature also certifies that any research reported was conducted in compliance with the "ARVO Statement for the Use of Animals in Ophthalmic and Vision Research" and/or the "Declaration of Helsinki."
